A CONTRAST IN 'JUSTICE'

GERHARD EISLER
His sister calls him the most dangerous Communist in America.

Although labeled by his own sister as "the most influential and most dangerous Communist agent in America," Gerhard Eisler has received a sentence of one year's imprisonment and a fine of one thousand dollars. Here is a dangerous agent that Stalin ordered from Germany to China to train in mass murder. Then after qualifying as a saboteur, instructor in mass slaughter and master at directing Stalin's Fifth Column in the United States, he was sent here and for six years has enjoyed the luxury in our country while preparing for Revolution.

The Immigration Department knew these six years that he was here illegally, but made no move to deport him or shoot him (as should have been done, and would have been done to an American in Russia for the same purpose).

Louis Budenz says Eisler is Stalin's "head rat" in the United States. After defying and insulting our Congresssional Committee, he is fined one thousand dollars and sentenced to a year in jail, but **he is not in jail** but out on bond and he and his wife are touring the United States, telling the people we are trying to deprive him of his liberty.

MARSHALL TOLD AMERICANS HAVE LOST CONFIDENCE IN THE STATE DEPARTMENT

Senator Styles Bridges has made the statement to George Marshall, Secretary of State: "Frankly, the American people have lost confidence in your State Department; they do not trust the patriotism and loyalty of many of the people you have working for you."

Secretary Marshall, carrying out the supposed Communist purge, appointed Hamilton Robinson of New York to conduct the purge in the State Department. It so happens that Mr. Robinson's cousin and close associate is branded as a Soviet secret agent who studied in Russia where he married a Russian woman. To make it more interesting, Mr. Marshall was brought into the Administration by Harry Hopkins, whom FDR rated as his closest man to Stalin. Surely no one will deny that Marshall's thirteen months as Ambassador to China were spent trying to get Chiang Kai Shek to join in forces with the Communist Party.

So, regardless of the big talk from this Administration, it appears that in this Communist purge, the State Department is going to use more whitewash than Dr. Evans in the Congressional Library is using in covering up the Reds.

"The theory of Communism may be summed up in one sentence: Abolish ALL private property" . . Karl Marx and Frederick Engels, in the "Manifesto of the Communist Party"

WILLIAM GERALD BISHOP
A clean, God-fearing Christian, who loves his America.

While William Gerald Bishop was employed by United States Government agencies before the recent war, he saw these agencies being used to promote Communism. He did not take the easy way and keep quiet, but his protests caused him to be called to Washington, where efforts were made to quiet him. Those who know Bishop know he is not the kind that can be compromised. He is of the material of which heroes are made: an American who would die for his country.

The powerful Communist influence in the Administration demanded that Bishop be taken out of circulation and thousands of dollars were spent to frame and crush him. In court, his crime was found to be exactly nothing, but by "hook or crook" he has been released and arrested four times, railroaded all over the United States to prevent his release by courts; has been

THE CASE AGAINST COMMUNISM

(By Thomas Cox, Oakland, Cal.)

In the London Times of November 6, 1941, there was quoted from a speech by Stalin:

"In contradistinction to Hitlerite Germany, the Soviet Union and the Allies are waging a war of liberation, a just war, for the purpose of liberating the enslaved peoples of Europe and the U.S.S.R. from Hitler's tyranny. That is why all honest people must support the armies of liberation. We have not, and cannot have, such war aims as the seizure of foreign territories of Europe, or the peoples and territories of Asia, including Iran. Our first aim is to liberate our territories and peoples from the fascist yoke. We have not, and cannot have, any such war aims as that of imposing our will and our regime upon Slavonic or other enslaved nations of Europe, who are expecting our help. Our aim is to help these nations in their struggle for liberation and then leave it to them quite freely to organize their life on their lands as they think fit. No interference in the internal affairs of other nations."

Instead, Russia has since formally annexed 273,947 square miles and 24,235,000 of other peoples, and has interfered in almost every land in the World.

* * *

Under date of December 13, 1946, it was reported by the United Press that "the Assembly of the Security Council of the United Nations formulated the following resolution:

'if, within a reasonable time, there is not established a Government which derives its authority from the consent of the governed, committed to respect freedom of speech, religion, and assembly, and to the prompt holding of an election, free from force and intimidation and regardless of party, may express their will' ".

Where in Yugoslavia, Poland, Austria, Bulgaria, Albania, Hungary, Italy, Czechoslovakia, or France, and that part of Germany occupied by Russian military, is there a Government which derives its authority from the governed or held an election without force, intimidation and interference by the Russian emissaries, and which prevented the people from expressing their will?

Under date of August 31, 1939, and of September 23, 1939, **Secret Agreements** were made by **Molotov** for Russia, and **Ribbentrop** for Hitler Germany in which were outlined and agreed, for the purpose of forcibly dividing **Poland** and **Lithuanian** frontiers between them. Germany and Russia both invaded Poland in September, 1939.

When President Roosevelt donated 180 bombers to Russia, Stalin would not permit United States airmen to make delivery. Russians were sent to the United States, trained here, and flew them back. When they arrived, all United States marks were eliminated and replaced by Russian and published as Russian production, as also were all tanks, trucks, and all other war materials supplied by the United States.

When the surrender of the Japanese took place on the U.S.S. Missouri, the Russians built up a photograph, showing the Russian representative signing the document, and published it as a Russian ship and that Russia won the Japanese war **alone**, whereas, they never rendered any aid, but instead, **stole** everything in Manchuria that was possible.

During the attacks on Japan, at least two B-29's landed in Soviet East Asia, after exhausting their gasoline, but without damage to the planes. Personal correspondence between President Roosevelt and Stalin was needed to free the air crews. The Soviets seemed to wish to cause the crews to vanish, forgetting they had radioed their safe landings to their home base. Return of the aircraft themselves was also repeatedly requested. Ambassador Harriman was politely told they had been destroyed. But the American Military Attache at the Moscow Embassy, Brigadier General William Ritchie, actually saw one of the B-29's in operational condition at a Soviet airfield near Moscow. Thus the Soviets also have the assistance of all our experience up to and including the B-29 class planes, in manufacturing their very long stragetic bombers.

This is another instance of their brazen effrontery, avarice and untruthfulness. Even the foods supplied by UNNRA were relabeled as being supplied by Russia.

The sending of military equipment, planes, and other war supplies by the United States and Britain to Russia, when their backs were against the wall, which enabled them to make their return attack and so successfully drive back the battered German forces on the Eastern front, is to the credit and glory of Russia, but their making such deceptions show their ingratitude and utter disregard of international decency or honesty. They have exhibited no international cooperation toward the Peace of the World, but seek to impose their selfish desires and demands on all others. Any tendered appeasement appears to intensify their greed and demands.

* * *

In 1933, when President Roosevelt made recogntion of Russia, the guarantee given by the Soviet Government, which formed the basis of recognition, was, in brief:

"The Soviet Government pledges itself to refrain from the dissemination of propaganda against the political or social order of the United States, or attempting in any way to overthrow American Institutions and to restrain any agency under direct or indirect Soviet control, from interfering with the internal affairs of this country. The Soviet Government expressly agrees to complete freedom of religious worship, and liberty of conscience to Americans temporarily or permanently residing in the U.S.S.R., including the use of rites in English, or in any other language customarily used, and the leasing, erecting, and maintenance of buildings for that purpose. A consular convention will be negotiated immediately, in which United States citizens will have rights of legal protection, 'not less favorable' than those enjoyed by 'Nationals of the Nation most favored in this respect' ".

We all know that NONE of these terms, agreements, and acts have been complied with, INSTEAD, they have been flouted and brazenly disregarded. **The Russian Government has shown itself unworthy of any belief or trust.**

The United States adheres to its treaties and obligations. It has been very generous in giving and supplying war equipment and supplies and foods to Russia. It is altruistic, inasmuch as it has not demanded any reparations from any country. The United States citizens still have to pay the redemption of the 265 billions of dollars national debt the war has caused.

There is every evidence that ALL Communist Propaganda and Communists are controlled and directed by the Soviet Government from Moscow, because all Communists in the United States are required to take the OATH of allegiance as is prescribed on pages

104-105 of their "MANUAL OF ORGANIZATION" published by the "Workers Library Publishers" and edited by J. Peters, as follows:

"COMMUNIST OATH

"I pledge myself to rally the masses to defend the SOVIET UNION, the head of victorious Socialism. I pledge myself to remain at all times a vigilant and firm defender of the Leninist line of the party, the only line that insures a triumph of SOVIET POWER in the United States."

and on page 8 of the same Manual, is this quotation:

"As a leader and organizer of the proletariat, the Communist Party of the United States leads the working classes in its fight for the ESTABLISHMENT OF A DICTATORSHIP OF THE SOVIET SOCIALIST REPUBLIC in the UNITED STATES."

* * *

If American born members of the Communist Party are not TRAITORS and guilty of TREASON, and the foreign born are not an illegal body, each conspiring against the sovereignty of the United States, then there is no room for any real American patriotism.

Communism is a foreign (Russian) ideology, and it is TREACHEROUS SEDITION for any United States citizen, any subservient Communist organization, or any alien, living within our borders and enjoying our American form of freedom and asylum, to seek and advocate, that our United States, its possessions and Government, shall be surrendered at their behest, and be handed over to the SOVIET GOVERNMENT OF RUSSIA, that our Country and we, the American people, shall be thus subjected to SOVIET RULE and the totalitarian slavery. **The real American people have every right to forcibly expel them and should, without any compunctions, eradicate such TRAITORS from our midst. Send them to Russia to enjoy their ideals and its "hospitality".**

Communism, Democracy and Fabianism were made "OUTLAW" in this country September 17, 1787 — the day our Constitution was adopted. If the President and the Congress do not know it, Article I, Section 4, of the Constitution does . . John J. Fleck.

beaten and put in solitary; his health is nearly ruined. But if he were offered freedom to bow to Atheistic Communism, he would quickly refuse. Judge Bishop by his enemies.

Through Red influence, Bishop was put under the Immigration Department; he is held in a cell at Ellis Island. Who is the man who headed this Red persecution of Bishop? None other than John Rogge, who led the dominating Red influence in the Justice Department, lately fired by Attorney General Clark for persecution of other anti-Communists.

What did Rogge do when he was fired by Clark? He at once took up the defense of sixteen directors of the most daring Communist Front in the United States -- directors who had been cited for contempt of Congress --- directors of the Joint Anti-Fascist Refugee Committee, which committee moved Tito from Paris, financed and set him up in Yugoslavia.

So there you have a line on the John Rogge who has been persecuting William Bishop. Bishop has been persecuted for over six years for standing up for America against the Fifth Column. Compare this with the treatment of Gerhard Eisler and at least three million who are here illegally! Attorney General Clark admits that two thousand enter the country illegally each day!

What has gone wrong with our government?

Who is running it, and where to?

How long will our Congressmen and Senators stand for such conditions?

Let's prove we are on the road back to sanity.

Senators and Congressmen: We ask you to **give Bishop his freedom** and **lock up** these **vicious Reds** who are working day and night to confuse, disrupt and bankrupt America!

STOKES CALLS EVERY AMERICAN TO CRUSADE FOR PRESERVATION

Jeremiah Stokes, noted attorney and anti-Communist has issued the following statement:

"Communists have solemnly decreed that they will destroy your right to life, liberty, property, free agency, sovereignty, free speech, free press, free public assembly, and freedom of the exercise of religious faith and worship!

"And they have further decreed: that they will destroy the Constitution of the United States and your Government by force, violence and bloody revolution; that they will confiscate all of your property; and that they will enslave you under Soviet Power and compel you to work for the State under a Communist master or you shall not eat. This regimentation and enslavement applies to you if you be a man, and it applies to you if you be a woman, for under Communism, both men and women must toil or they cannot live.

"This tyrannous state of regimentation will destroy your home life and your family relationship and companionship. And furthermore, you will be powerless to extricate yourself from the yoke of tyranny or to save either yourself or your children from the torture which you and they will be compelled to suffer. And religion will be purged from your life by force!

"Every American who loves his country, his freedom, his home and his Christian faith, must enter this crusade for self-preservation, or everything that he loves and that makes life worth the living will be wrested from him. THIS IS NO BOGEY! It is as real and as certain as it is that fire burns, for Communists have so decreed, and they are backing that decree with organization, money and action.

"Mass action (under Communist leadership) includes: a combination of strikes and demonstrations; a combination of strikes and armed demonstration and, finally, the general strike conjointly with armed insurrection against the state power of the boureoisie." From the "Program of the Communist International", an official Red document with the imprint of the Communist Party of the United States.

The Communist Party in Italy has approximately two million members, next in number Russia. As soon as our troops leave Italy, Stalin will take over Italy and the Mediterranean Sea.

LETTER TO THE EDITOR

Neuengeseke u. Soest,
Germany

Dear Mr. McGinley:

Would you ask someone to help us? I have three children, two boys of 16 and 10 years, and a girl of 6 years. We lost all that we had during the war, as our house burnt down. You know that it is dreadful for a mother to have neither enough to eat nor any clothes. And so I rather would ask you if you could send us jackets and trousers, stockings, pants, combinations, shoes, coats and a dress for my girl. We have nothing for the cold winter. I rather would prefer to pay for those things. I would be so thankful if you could help us over this great need. I have drawn the size of the shoes needed on the letter.

Yours sincerely,
Herta Strohmann

Editor's note:- Will God permit us to prosper if we do not help these hopeless people? We have many letters from desperate families who are on the verge of starvation. Write us for an original letter and send them some food and clothes.

BEN HECHT, LEADING ZIONIST, ADVERTISES IN PM FOR FUNDS

Ben Hecht, leading Zionist and Russia Firster, who runs page ads in PM soliciting money for terrorists in Palestine, said: **"Every time a railroad blows up or a hotel is dynamited in Palestine every Jew in the U.S. has a little holiday in his heart and rejoices."** This is the same Hecht who said, in his book entitled "A Jew in Love": **"If, instead of crucifying Jesus, they had ground him into mincemeat he would never have been a martyr or a Saviour."**

COMMON SENSE NEEDS NEW SUBSCRIBERS ON FRONT LINES AGAINST REDS

In this battle against Atheistic Communism, we on the front lines will fight as long as you folks back us up.

You have no idea of the many obstacles we face — but we will never let you down.

What we need now on the front lines are new subscribers. No reader is so busy that he cannot interest at least one new person a week in this important campaign. Each new reader is another worker to awaken America to this danger.

Businessmen can do nothing better to help insure their property against confiscation by Reds than to pay for a list of subscriptions for customers, friends, or employees.

Let's get strong and clean these Reds out of the United States.

MOLOTOV USES SAME 'LINE' AS 'PM' AND 'DAILY WORKER'

Molotov says the trouble in the Balkans is not caused by Communist-controlled activities, but by Fascist greed. This is the same line used here in the United States by PM, The Daily Worker and the Communist Party.

A leaflet signed by Eugene Dennis, General Secretary of the Communist Party of the U.S.A., says Communism is no th[illegible] the United States; it is the native Fascists who endanger the country. Everyone who does not like Communism is a Native Fascist.

UNITED NATIONS FRAMEWORK FOR A WORLD GOVERNMENT

When the Red press smears us they often brand us as "Pro-Nationalistic". Yes, we try to build sentiment for Amtrica — that is a crime. We understand why they discourage a patriotic feeling for our country and we know who has been behind this for many years.

The United Nations is the framework for World Government, which plainly states they will do away with all nationalities. There is to be only one language and one religion — BAHA'I — and school books for all nations will be handed out by the World Government;

If you are against this program, do your best to help this paper to reach more people.

Breathes there a man with soul so dead
Who never to himself hath said:
This is my own, my native land!

Whose heart hath ne'er within him burn'd
As home his footsteps he hath turned
From wandering on a foreign strand?

If such there breathe, go, mark him well!
For him no minstrel raptures swell;
High though his titles, proud his name,
Boundless his wealth as wish can claim,—

Despite those titles, power, and pelf,
The wretch, concentred all in self,
Living, shall forfeit fair renown,
And, doubly dying, shall go down
To the vile dust from whence he sprung,
Unwept, unhonour'd, and unsung.
